Dear Friends,

We invite you to join the 2024 Patrons Program. The Patrons Program for the Lake Wales Arts Festival is a purchase prize initiative where patrons commit to buying a minimum amount of art before the festival begins. These patrons are given a special identifier to mark the artwork they choose to purchase. This guarantees sales for artists and encourages high-quality submissions, appealing to a range of art enthusiasts and collectors. The program enhances the festival's atmosphere and fosters relationships between artists and buyers.

Your Impact as a Patron

- Empower Artists: Join us in extending a warm embrace to our artists through your purchase prize award.
- Enhance Your Collection: Acquire unique art pieces, perfect for your home or office.
- Support Lake Wales' Art Community: Show that our town is deeply invested in the flourishing of arts and artists.
